I told Chuck that we would do the \$5,000. This would come from miscellaneous RJRT contributions, not from the foundation.

I am in the process of reading 1st quarter proposals. I will try to schedule a meeting this week or early next week to review them.

How much did dc have in rn foundation? Would their giving be similar to what Roger's group does -- small grants to groups all over the country? Roger's are all rjrt rather than foundation. Does that matter for dc?

Chuck sent letter to you and you sent it to me. It is a request from George Mason University Law and Economics Center for \$20,000 to support the Institutes for federal judges. Chuck was asking if we could do something this year as we had in the past. Hope this helps refresh your memory. If not, let me know and I will bring the request to you office.

According to my records, we contributed \$1,000 in 1994 and \$5,000 in 1996 to George Mason University. We can do something this year but much less than the \$20,000 they requested. How much is appropriate?
