Subject: Law & Economics Center Meeting

I want to invite you to attend a meeting we are having with Gordon Brady from the Law & Economics Center @ George Mason University. Gordon will be in the New York Office on Tuesday September 15th, from 11 am to 12 pm to discuss the two main projects of the Law & Economics center -- (1) teaching "law & economics" to federal judges and (2) the science in the public health institute -- and to see if we have any interest in supporting such activities. Please let me know if you wish to attend. I will fill you in on the specific meeting room location once it is established.

Thank you,

Subject: HWL Follow-Up

One follow-up question: can you confirm that we follow the rotational requirements of the U.S. in countries where affiliates/licencees do business? I've no doubt that we do it on export, but am unclear as to the others. Thanks.
